## GMP CLEANING & RESTORATION ACQUISITION

If you weren't already aware, CIOCCA's acquisition of GMP was over 3 years ago! It has been a long time coming, but we are currently in the process of advertising exclusively under the CIOCCA name. Under new management and with new ownership, we are looking forward to the great things we will be able to do in the future. Not only are we improving our customer service, we are expanding the services we offer to our janitorial and restoration customers!

CIOCCA's, previously offering only janitorial services to many large corporations, such as hospitals, banks, credit unions, and medical facilities, can now offer a wide variety of other services as well. Services such as restoration and carpet cleaning services, air duct cleaning services, and any type of reconstruction or repair services! We offer all of these services and more!

*Quality Work, Responsive Service,  
and a Commitment to People.*
