THE GRAND PRIX WAS A BLAST!

Every year the Junior Achievement Grand Prix helps to support Junior Achievement of Northern Indiana. The go-kart race has many local companies racing against one another to support Junior Achievement's efforts. This year, instead of having the race

downtown at Three Rivers Festival, like it has been in the past, it was held at Baer Field Speedway.

A lot of time and effort goes into preparing for this event. We like that it is an event we can bring our family to. All of our Ciocca children who attended had a blast! If they weren't playing in the rain, or jumping in the moonwalk, they were playing and jumping on old monster truck tires stacked up near the tents.

Aside from food and fun, there was a race to win. After being behind for much of the race, Greg DePrey of Ciocca's pulled our "99" car into fourth place! We were very happy to be a part of this race and enjoyed the fun!

We placed 4th in this year's Junior Achievement Grand Prix!
