Everything Ciocca Cleaning & Restoration Offers

Do you know all of the services we have to offer? When people see the words cleaning and restoration, something different comes to mind for everyone. Cleaning is a fairly general term. We would definitely like to clarify for everyone all of the services we offer!

As most of you already know, we offer janitorial cleaning services for many local doctors' offices and medical facilities, as well as small business and financial institutions. In addition to these general commercial cleaning services, we offer an array of cleaning and remediation services for residential and commercial properties during special events or during occasional unexpected circumstances.

These services include water and fire damage restoration, as well as repairs and reconstruction if needed. We also do storm damage repair, board up, roof tarping, tree and debris cleanup and removal. Along with these, we offer commercial and residential carpet cleaning, upholstery cleaning, air duct cleaning, and tile and grout cleaning, floor stripping and waxing, and mold remediation. There are a number of services you may not

be aware that we have to offer. These include things such as window cleaning, odor removal, construction cleanup, rug cleaning, power washing, auto, boat, RV, and semi/tractor trailer cleaning and detailing, vandalism or graffiti removal, and patio furniture cleaning! The point is, if you name it, we probably do it! Even if it's something outside of our scope of work we can help lead you in the right direction! Give us a call before you think it's something we might not handle! (260) 483-2112.

Congratulations Kenny!

We would like to say congratulations to Kenny McCartney and his new wife Kim who exchanged wedding vows on October 1st! We would like to wish you a life full of happiness and joy!
